

Oaks FC Player/Parent Code of Conduct

Oaks FC Team: _____

Player: As an Oaks FC player, I will...

- Read the Oaks FC Player/Parent handbook and comply with all provisions and rules set out therein.
- Have a positive, winning attitude, and give my best at all times so I can in turn get the most out of soccer.
- Take personal responsibility for being on time and prepared for all... practices, training sessions and games (I will also make sure the coaches are informed in the case of absence or delay).
- Take personal responsibility for my health and development as a soccer player and athlete so I can give my best to the team (this may include a healthy diet, individual training, etc.).
- Take an active role in building team unity by supporting and encouraging all my teammates both on and off the field of play.
- Be respectful to all players, coaches, referees, and parents (treat others as you would have them treat you).
- Discuss any issues with my coach privately and at a time away from the game (e.g. the sideline is not the place to make requests about playing positions). Coaches are available by phone, text or email; and will set up times for individual meetings on request.

Parent or guardian: As a parent or guardian of an Oaks FC player, I will...

- Read the Oaks FC Player/Parent handbook and comply with all provisions and rules set out therein.
- Maintain a positive attitude about, and provide encouragement to, my child and all team members.
- Support my child's commitment to his/her team.
- Be an active participant in helping to build a cohesive team including staff, parents and players.
- Recognize that winning any single game is not the most meaningful measure of my child's and the team's success.
- Watch the games but don't be an active participant (no coaching from the sidelines and do not question the calls of the referee).
- Be respectful to all players, coaches, referees, and parents (treat others as you would have them treat you).
- When appropriate encourage my child to discuss issues directly with her coach (e.g. requests for playing positions should come from the players).
- If the need arises to discuss issues directly with my child's coach then I will do so privately and at a time away from the game. 24-hour rule after games applies.
